

St Mary's Ahoghill Camogie Club

Welcome to the beginning of a new season. I'd like to begin with congratulating Noreen Graham on her Ulster Colleges All-Star, and her selection for the Antrim Senior Camogie Panel. This is a great achievement for her and for our club, and we wish her every success. Any outstanding membership should be paid as soon as possible, before the playing season commences. The Camogie Club will be continuing to hold Poker nights throughout the year, and would ask for everyone to support these. Senior Camogie training is already underway and underage training will be starting up soon. We would like to wish good luck to all players and all teams for this year, and hope everyone enjoys this year.

St Mary's GAC Ahoghill

2010 represents another significant year for St Mary's GAC Ahoghill. The £500k SOLAS project opens, this will see a fully floodlit sand based playing field at the Ahoghill venue. The 10th of April 2010 is the official opening date with a full day of activities planned.

The lotto is now at £2800 – a record jackpot for the club. Purchase your ticket from any club member.

The Senior Football and Hurling season is underway with both teams in their respective Ulster leagues. The senior footballers will compete in division one of the Antrim all-county football leagues with the Hurlers in division two.

Best wishes to all teams representing the club in 2010, to the players representing Antrim and to Danny O'Neill on being selected as Antrim Minor Football Manager.

ACORN CENTRE – PHASE II

The Acorn Centre is currently closed for an internal upgrade. The CRDA has been successful in attaining £150k in funding from DENI to complete Phase II. This will deliver two additional Youth/Games rooms, complete the first floor area of the building, upgrade fire safety and create a second entrance/lobby to the premises. We hope to re-open during early April 2010. The official opening is pencilled in for Thursday 13th May 2010 with a very special guest! Visit www.crda-online.com for further details.

Do you mind the time...?

We have received funding from North Antrim Community Network to organise a reminiscence programme for the people in our community. We invite you to come along on the following nights to share the stories and yarns of yesteryear.

The proposed dates are Wednesday

March 10th ~ March 24th ~ March 31st ~ April 13th ~ April 20th ~ April 27th

Each session will last from 7.30pm to 9.00pm.

Maura Johnston will record our tales with the possibility of producing a booklet on the completion of the sessions. As the Acorn Centre is closed for extension work we will run the first three sessions in the clubrooms of St. Mary's G.A.C.

Bring neighbours and friends along for a good evening's entertainment.
Light refreshments will be served.

If transport is required please let us know ~ contact Teresa Graham (Sec) on 028 2587 1588

CRDA 75 Club

**Monthly Draw Prizes:
£150, £100 and £50**

*Very successful to date
with many winners so far!*

The CRDA 75 Club is a vital fundraising method to help Cloney Rural Development Association have a sustained means of income to help run the new ACORN Centre.

We have just completed our second year and are renewing membership for 10/11. We are delighted with the number of returning participants, particularly in the current economic climate. However, we are still calling for new members, as this source of income is our lifeline in ensuring your community centre can afford to run.

Talk to any CRDA member about joining – our next draw is early April.
