Juvenile Update

All underage teams continue to progress through their various leagues, and we are pleased to announce that we have entered our U8/10 footballers into several development blitzes around the SW, as well as adding a separate night of football coaching on **Tuesdays** – all new players welcome!

Camogie Club Update

The training and matches for our underage teams are well underway this year. The U10s started their Go Games with a tournament in Loughgiel last weekend. The U12s have already played in several Go Games tournaments around local clubs which have proved very enjoyable and successful and there will be mini leagues for this team later in the year. The U14 season started with the Ulster Feile group matches on 30th April, unfortunately the team narrowly missed out on qualification for the final. County U14 league starts weekend of 21/22 May, with a home game against Ballymena.
